

Cutting Edge Litigation

In addition to the firm's emergency response team and risk management analysis program, The Long Firm employs various cutting edge tools when litigating all matters.

The Long Firm is proud to employ the most efficient and high performance team where all matters are handled consistently and personally by the managing attorney and his paralegal; a trait you will not find in most mid-size or large firms.

Litigation strategy varies from case to case and is established at the outset of each claim or lawsuit with the managing attorney and the client. A disciplined and coordinated approach to litigating a case provides tremendous benefits and results in the case.

The Long Firm has access to the best experts in the fields of medicine, radiology, pharmacology, investigation, finance, accident reconstruction and engineering ensuring that each expert is up to date in the latest trends and training in their field.

The Long Firm has embraced the latest technology. Our office is fully equipped with sophisticated and state-of-the-art communications networks. Each team member at The Long Firm has access to the latest equipment, resources, on-line researching tools and electronic court filing.

“The courtroom experience of the attorney you choose to represent your interests makes a difference not only in the outcome of a case, but in the speed in which it is resolved.

TLF
THE LONG FIRM LLP

Litigation that drags on is costly and time consuming.

With over 20 years of trial practice focusing on defense litigation in Buffalo, New York, attorney William Long, Jr. founded The Long Firm LLP in 2008.

The Long Firm is a boutique trial practice representing some of the largest school bus and transportation carriers in the United States as well as municipalities, self-insureds and insurance carriers. The Firm's Emergency Response team has been called upon consistently to offer their clients and operators immediate legal guidance during the initial accident investigation phase and has to its immediate avail experts in the fields of investigation and accident reconstruction.

William Long and his team have earned the respect of both the bench and bar. The legal matters entrusted to the Firm are handled aggressively, yet in a manner that leads to resolution rather than protracted and costly litigation.
